Immunizations:

Children (up to 18 years old) and adults (19+) who meet at least one of the following criteria are eligible for the Vaccines for Children (VFC) or Vaccines for Adults (VFA) program which provides free or low cost vaccines:

- Individuals who have no insurance OR have medical assistance/Badger Care.
- Individuals who are Medicaid eligible or Medicaid enrolled.
- Individuals who are American Indian/Alaskan Native.
- Underinsured children and adults (has health insurance, but the coverage does not include vaccines or only covers selected vaccines).
- Inmates at a county jail or at department of corrections facilities.

We are not able to administer VFC or VFA program vaccines to those who have private insurance which covers vaccines, even if the insurance has a high deductible/co-pay.

Other Private Stock vaccines available:

- Shingrix (shingles): \$190/dose (2 dose series)
- Engerix B (hepatitis B): \$65/dose (3 dose series)
- Influenza (flu): Regular \$30; high dose \$65 (2023 prices)
- Tetanus/Tdap: donation of \$20 requested
- All COVID-19 vaccines: Free

Our private stock vaccines are able to be administered to anyone, regardless of their insurance status. Payment of these vaccinations is due at the time of service.
